01 · WHO WE ARE

Welcome to Riħa

Thanks for joining the team. This playbook gives you everything you need to create content that feels like you and still looks and sounds like Riħa. Keep it handy, use the ideas as a starting point, and make them your own.

"Riħa" is Maltese for scent.

We are a Maltese fragrance business offering 100% authentic designer and niche perfumes, professionally decanted from the original bottles into our own 30ml atomisers. Real perfume, travel-sized and priced to play.

THE PRODUCT

30ml Riħa atomiser

Around 300–400 sprays. Decanted from the original bottle. 30ml from €80.

TRY FIRST

2ml samples, €7.50

Any perfume on the site. Buy 5 samples, get the 6th free (until Dec 2026).

DELIVERY

Malta & Gozo

Free shipping over €150. A free gift with every €200 spent. €50 minimum order.

What we stand for

Authenticity	Every drop comes from the original bottle. No dupes, no "inspired by".
Accessibility	Luxury perfume without the full-bottle price tag.
Convenience	Bag-sized, travel-friendly, delivered across Malta & Gozo.
Quality	Carefully decanted, sealed and presented.
Value	Pay for the scent you'll actually wear, not the 70ml you won't.

Name

Riħa

Always write the brand name with the Maltese **ħ** in captions and on-screen text. On phones: hold **h** on the keyboard, or copy it from here.

Handles and the web address are written **without** the ħ.

Logo

Only use the official logo files we send you. Don't retype it, recolour it, stretch it, add shadows or effects, or place it on busy photos where it's hard to read.

Supporting text. If your app doesn't have Poppins, pick a clean sans-serif (e.g. Instagram's "Modern" or "Classic" font).

03 · HOW RIĦA SOUNDS

Voice & tone

Riħa sounds like a friend with great taste: confident, approachable and modern, with a cheeky sense of humour that never cheapens the product. Luxury, without the attitude.

Confident
We know the product is the real thing, so we say it plainly. No over-selling, no hype.

Approachable
Talk like you would to a friend. Short sentences. No jargon walls about "sillage".

Modern
Fresh, quick, scroll-stopping. Get to the point in the first line.

Cheeky, but luxe
A wink, not a pie in the face. Funny lines, beautiful visuals.

Say it like this

SAY IT LIKE THIS	NOT LIKE THIS
"Real perfume, travel-sized and priced to play."	"Cheap perfume dupes."
"Decanted from the original bottle."	"Smells just like…" / "inspired by…" / "clone"
"Smells expensive. Isn't."	"Better than the original!!!"
"Not sure yet? Try a 2ml for €7.50 first."	"Guaranteed to last 24 hours."
"Two sprays is a signature. Nine is a hostage situation."	Jokes that mock other brands, people or bodies.

A little Maltese goes a long way.
"X'riħa sabiħa!" (what a lovely scent!), "Il-Milied it-Tajjeb" at Christmas and "Is-Sena t-Tajba" at New Year are all very on-brand. Local spots, local humour, local nanna reactions: lean in.

04 · FACTS, CLAIMS & DISCLOSURE

What to say (and not)

You can say

- 100% authentic fragrances, decanted from the original bottles.
- 30ml Riħa atomisers, roughly 300–400 sprays each.
- 2ml samples of any perfume on the site for €7.50.
- Buy 5 samples, get 1 free (until Dec 2026).
- Free shipping in Malta over €150; a free gift with every €200 spent; €50 minimum order.
- Delivery across Malta & Gozo.
- Order at rihaperfumes.com or on WhatsApp +356 7988 5098.
- Your honest opinion: what you love, where you wear it, how it makes you feel.

Please avoid

- × Calling our perfumes dupes, clones, copies or "inspired by". They are the originals.
- × Suggesting Riħa is affiliated with or endorsed by any perfume house. We are an independent retailer.
- × Promising how long a scent lasts or projects. It varies by skin, so share your own experience.
- × Skin, health or allergy claims of any kind.
- × Prices or offers you haven't checked on the site that day, or deals we haven't announced yet.
- × Showing other brands' logos as if they were Riħa's own products.

Always disclose the partnership.

This is a paid collaboration, so your audience needs to know. On every Riħa post or story: switch on Instagram's **Paid partnership** label and tag **@rihaperfumesofficial**, and add **"Ad"** at the start of the caption or on the first story frame. Make it clear and easy to see, not hidden among the hashtags.

Every post should include

Tag
@rihaperfumesofficial in the caption and on the image or video.

Label
Paid partnership label plus "Ad".

Link
rihaperfumes.com in the caption, or a link sticker on stories.

06 · MAKE THE BOTTLE THE HERO

Shooting tips

You don't need a studio. You need good light, a clean frame and a strong first two seconds.

01
Hook in 2 seconds
Start with the punchline, the spray, or a bold line of on-screen text. No slow intros.

02
Shoot vertical
9:16, 1080×1920. Keep text away from the top and bottom edges so the app doesn't cover it.

03
Chase soft light
Face a window, or shoot at golden hour. Avoid harsh overhead light and mixed colours.

04
Label to camera
Turn the black RIHA. label towards the lens in at least one clear, steady shot.

05
Show the spray
Backlight the mist against a window or the sun. It's the most satisfying shot we have.

06
Keep it clean
Tidy background, clean hands and bottle. Malta's stone, sea and sunsets do a lot of the work.

07
Short and loopable
Reels of 7–20 seconds perform best. End on a frame that loops back to the start.

08
Add captions
Many people watch muted. Put the key line on screen as text.

B-roll worth capturing every shoot

Bottle on a marble or stone surface · close-up of the label · spray in slow motion · bottle going into a bag or clutch · unboxing your order · you spraying wrists and neck · a friend reacting to the scent

07 · REELS & STORIES TO STEAL

Content ideas

Use these as starting points. The best version is the one that sounds like you.

Reel ideas

VALUE

Smells expensive. Isn't.

Hook: "This costs me less than 50c a spray." Show the 30ml, then the maths: Baccarat Rouge 540, €160 for 300–400 sprays.

HUMOUR

Elevator etiquette

Skit in a lift. 2 sprays: a signature. 4: a statement. 9: a hostage situation. End: "Spray responsibly."

LIFESTYLE

What's in my bag

Night-out bag reveal. The 30ml slides into the clutch. "Fits the clutch. Lasts the night."

TRAVEL

My full bottle stays home

Airport or packing shot. 30ml fits the 100ml cabin rule, so your signature comes with you.

UNBOXING

Order day

ASMR unboxing of your Riha order: open, reveal, first spray, honest first impression.

INTERACTIVE

Guess the scent

Blindfold a friend or partner with three 2ml samples. They guess or rate. Ask followers to guess too.

MALTESE

Nanna approved

Spray a little on nanna (with her blessing). Capture the reaction. Bonus points for "X'riha sabiha!"

GRWM

Get ready with me

Getting ready for Valletta, Sliema or a wedding. The spray is the final step before you walk out.

REVIEW

Scent of the week

Three notes, where you'd wear it, who it suits, the price. Repeatable series, easy to film.

HUMOUR

Expectation vs reality

100ml: "I'll wear it every day", half-full in 2031. 30ml: loved, finished, onto the next.

TIPS

3 ways to make it last

Moisturise first, spray pulse points, don't rub your wrists. Very save-worthy.

CHALLENGE

The compliment counter

Wear one scent all day and count the "what are you wearing?"s. Reveal the total at the end.

07 · CONTENT IDEAS, CONTINUED

Story ideas

Your two monthly story frames. Stickers get people tapping, which tells Instagram to show your stories to more people.

Answer with a short clip of the bottle and a link sticker.

08 · AN EXAMPLE PLAN

Your first 3 months

An example plan for a November start. If your dates are different, shift the months and keep the rhythm. We'll confirm each month's focus with you.

MONTH 1

November: Meet Riha

Introduce the brand and why you chose it.

- **Reel:** "Smells expensive. Isn't." or an unboxing of your first order.
- **Story 1:** "I've teamed up with Riha", plus a question box: what should I try first?
- **Story 2:** Black Friday countdown sticker for 27 Nov (details from us).

MONTH 2

December: Gifting & party season

Make Riha the easy Christmas answer.

- **Reel:** "What's in my bag" for a Christmas night out, or a gift-wrapping GRWM.
- **Story 1:** Secret Santa idea: a 2ml sample for €7.50 beats another mug.
- **Story 2:** Poll: "Your Christmas scent: sweet & cosy or fresh & clean?"

MONTH 3

January: New year, new rotation

Help followers find their next signature.

- **Reel:** "Expectation vs reality" or a sample haul to build a 2027 rotation.
- **Story 1:** "Your 2027 scent resolution?" poll.
- **Story 2:** Your trial wrap-up: three favourites with a link sticker.

Got your own idea?

Even better. Send it over on WhatsApp before you film. If it fits the brand and the month, go for it. The ideas that feel most like you will always perform best.
